# About Us

**S. Subramanian** B.Com., M.B.A., M.Phil., LLB  
Proprietor

**BARANI INFRA TECH AND CONSTRUCTION (BIC)** is one of the leading Renewable Energy infrastructures services company with young and experienced organization manned and managed by professionals in the field of Engineering, Procurement and Construction (EPC) and Security services.

BIC has established a strong presence in Tamilnadu and continues to make its mark as South-India player. Established in 2012, BIC provides a full range of services in Engineering, Procurement, Construction and Operation & Maintenance Solutions with over ten years. Our highly experienced team are dedicated to the creation of innovative solutions based on customer requirements for New Projects and Expansions

BIC has successfully executed numerous projects. These projects include land procurement, Liaising, Engineering design and site planning, equipment procurement, construction, commissioning and security services for the Wind and solar Industry within stipulated time.

Our Objective is to provide our clients with an “I am assured” experience when we are chosen to execute their projects. Our emphasis on clear communication and follow-through procedures ensures that client’s objectives are top priority in the planning and execution of all our processes.

## Our Commitment

### Our Vision

We aspire to be an excellent engineering, procurement and construction company with respect to Wind and Solar Energy.

### Our Mission

Our mission is to provide quality services that consistently meet our clients' needs and expectations through excellence in our operations within reasonable time frame in cost effective manner.

### HSE Policy Statement

Our mission is to provide a safe working environment for our employees, protection of the environment, safeguarding owners' plants and equipment.

## What We Do...

### Project Development

Project site due diligence

Identifying the most suitable power evacuation option

Project approval and clearances

Facilitating towards preparation and submission of suitable grid connectivity

Project development & Expediting activities

### Operation & Maintenance

Operation & Maintenance for Wind & Solar Power projects.

We have a dedicated engineers for monitoring and maintenance.

### EPC – Renewable Energy Projects

Our engineering, procurement and construction team carries out the detailed engineering and design of the project, procure all the equipment and materials necessary, and then construct to deliver a fully functioning wind/solar power plant.

BIC strives to ensure on time & professional execution of its projects. Project managers oversee all activities from land, logistics, execution and safety issues.

### E-Mobility

We are developing a customized powerful long range e-bikes proto-type for Indian roads..

We have carried out land procurement, Liaising, civil and electrical works, security services for the Wind and solar Industry. We have executed Wind Turbine Foundations, Road Works, Culverts, EHV, HV & HT/LT Transmission line works etc. We have procured more than 2500 Acres of land in and around South Tamilnadu.

Few of our reputed clients in the wind and solar sector are M/s.LANCO Amarkantak Power Ltd, M/s.Pioneer Wincon Pvt Ltd, M/s.Powerwind Ltd, M/s.Suzlon Gujarat windpark Pvt Ltd, M/s.Regen power tech Pvt Ltd, M/s.Mytrah Energy India Pvt Ltd, M/s.Siemens Gamesa Renewable Energy (P) Ltd, M/s.Rays Power Infra Pvt Ltd, M/s.Daily Fresh Fruits India Pvt Ltd., M/s.Fourth Partner Energy Pvt Ltd.,, M/s.JSW Renew Energy Limited, and M/s.GRT Jewellers (India) Pvt Ltd.,

## Recent Completed Projects

Capacity	5 MW Solar Project
Location	Ettayapuram, Suraikaipatti
Execution Time	2012-13
Client Name	M/s.LANCO Amarkantak Power Ltd.

Capacity	25 MW Wind Power Project
Location	Ayyanaruthu, Seliyanallur.
Execution Time	2014-17
Client Name	M/s.Pioneer Wincon Pvt. Ltd.

Capacity	10 MW Wind Power Project
Location	Ayyanaruthu, Tuticorin Dist.
Execution Time	2016-17
Client Name	M/s.PowerWind Ltd.

Capacity	250MW SECI Project
Location	Ottapidaram, Tuticorin - Dist.
Execution Time	2016-18
Client Name	M/s.Suzlon Gujarat wind park Ltd.

Capacity	100 MW NLC Solar Project
Location	Seliyanallur, Tuticorin - Dist.
Execution Time	2017-18
Client Name	M/s.Siemens Gamesa

Capacity	50MW Wind Power Project
Location	Thennampatti - Tuticorin Dist.
Execution Time	2017-18
Client Name	M/s.ReGen Powertech Pvt. Ltd.

## Recent Completed Projects

Capacity	250MW SECI Wind Power Project
Location	Tuticorin Dist.
Execution Time	2018-19
Client Name	M/s.Mythra Energy (India) Pvt. Ltd.

Capacity	100MW Solar Power Project
Location	Onamakulam – Tuticorin Dist.
Execution Time	2019-20
Client Name	M/s.Rays Power Infra Pvt. Ltd.

Capacity	25 MW Solar Power Project
Location	Sankaraperi, Tuticorin Dist & Kangarakottai, Virudhunagar Dist.
Execution Time	2019 - 20 & 2020 - 21
Client Name	M/s.Daily Fresh Fruits India Pvt. Ltd.

Capacity	19 MW Solar Power Project
Location	Vijayapuri, Tuticorin Dist
Execution Time	2021 - 22
Client Name	M/s. Fourth Partner Energy Pvt. Ltd.

Capacity	50 MW SECI Wind Power Project
Location	Tenkasi Dist
Execution Time	2021-22
Client Name	M/s. JSW Renew Energy Limited

Capacity	150 MW SECI Solar Power Project
Location	Ettayapuram, Tuticorin Dist
Execution Time	2021-22
Client Name	M/s. GRT Jewellers (INDIA) Pvt. Ltd.
